*New school year, new Box Tops Competition!*

This year we have a goal of reaching 10,000 Box Tops (\$1,000.00) and we're going to do it by playing *Boxopoly!* It's similar to the board game Monopoly, here are the rules:

There are four teams, and each team will be assigned a "Railroad."

TEAMS: The Awesome Trio, Double Trouble, The Funky Monkeys and The Dynamic Duo

~All teams start at the "Go" space, to move around the board each team turns in eligible Box Tops.

~25 eligible Box Tops moves the team one space.

Example: 100 Box Tops moves a team 4 spaces etc.

~If a team lands on another teams space (railroad) then they owe that team 25 Box Tops.

~If a team lands on "GO TO PRINCIPALS OFFICE" (Jail) the team is set back to the "PRINCIPALS" space, causing them to be delayed in passing "GO"

~If a team passes "GO" that team receives a ticket into the drawing for a \$25.00 gift card.

~If a team lands on "RECESS" (free parking) that team receives a ticket into the drawing.

~If a team lands on "LIBRARY" (Community chest) or "FREE TIME" (Chance) that team receives a ticket into the drawing.

For every 25 eligible Box Tops a person turns in they will receive a ticket into the drawing, and a prize.

The team that has the most Box Tops by the end of the game will get a team party. So get busy and CLIP, COLLECT & COMPETE!
