

Supply List 2018-2019

Parents frequently ask our teachers what they can do to assist the school. There are many ways, from volunteering your time to providing extra supplies. The school provides all supplies that are necessary for students, but any additional supplies would always be welcomed and appreciated. This is definitely not a requirement! This is just a suggestion for those of you who have asked us what you can do to help.

*Please read labels carefully to make sure all supplies are designated as **non-toxic**. All students need backpacks. Please no stretchy or sticky book covers. Brown grocery bags work best.*
