

Pleasant Grove School  
**FOOTBALL/VOLLEYBALL - BOYS/GIRLS**

Dear Parent or Guardian,

Your child has expressed an interest in participating in football or volleyball this year. All games are held **after school at 3:00 p.m. on Thursdays**. Practices are after school on Tuesdays (and Thursdays on weeks there are no games) from 2:45-3:45 p.m. for all teams. Students who are not picked up by 4:00 will need to check in to daycare. The first practice will be Tuesday, September 1, 2009.

*It will be necessary for you to arrange transportation on games days AND on practice days.* Parents may want to arrange shared transportation to and from games, and we will need **the attached "Volunteer and Employee Auto Usage Statement" completed and returned** from parents who will be transporting students. Also, a reminder that the school does not provide primary accident coverage for injury at practice or games.

Athletes are required to have good behavior during the season and must maintain a 2 average while playing the sport. If a student receives a detention, he/she may not practice that week or play in the next game. Students become ineligible to participate for the season if they:

- Are placed on a homework contract
- Receive two detentions
- Receive any kind of suspension

Students are expected to attend practices on a regular basis. If attendance is poor or not excused with a good reason, students may not be eligible for play at upcoming games. **On game days, students must attend school a minimum of three hours to be eligible to play in the game.**
