- Subs will be paid in same range as their classification and will be paid at the step in accordance with their level of experience.
- For employees working in more than one range/classification they will be paid at the rate of the highest range.
- The District shall contribute up to \$800 per month for a full time (8 hours per day) employee for TCSIG Benefits.
- Mileage will be subject to approval by the Superintendent, and employees will be reimbursed for the use of a personal vehicle for District business.
- The District recognizes that California minimum wage will increase each year until January 1st, 2023. Step/Column cells that fall below the annual January 1st minimum wage will then meet California's minimum wage effective July 1st prior to the January 1st wage increase.
